Project Proposal

PENIEL MINISTRIES

Covid Relief

PROJECT RATIONALE

Karnataka is in a lockdown period currently. The problem that rises from this are two fold. Firstly, many rural areas do not have access to medical facilities and the virus has become a silent killer in these places. Without basic medicines, it is even more difficult for these communities. Secondly, a large percentile of our workforce, (approximately 60%) are from the daily wage population. They typically earn in a day what they need to meet their day to day needs. With the lockdown period a lot are jobless, and do not have enough funds to support even three meals a day. Our hope is to meet these two needs.

A lot of the frontline workers such as healthcare workers, nurses, doctors and even vegetable and fruit sellers (on the roadside) do not have the basic protective needs. The government hospitals look skeletal and the vegetable sellers cannot afford sanitizers and gloves. We want to make two medical kits.

- Med kits for healthcare workers: PPE, medicines, gloves etc. etc.
- Kits for roadside fruit and veg sellers: Medicines, gloves, masks, sanitisers

PROJECT OVERVIEW

01

PURPOSE AND OVERALL OBJECTIVE

- Dailywage families with ration bags
- Healthcare workers med kits
- Vegetable sellers care kit

02

TARGET POPULATION

- Dailywagers below poverty line
- Healthcare workers
- Vegetable street vendors

03

PROJECT TIME PERIOD AND RISKS

Over a month
Unsafe environments for our workers

04

BUDGET

Ration Bags: 4,000 families (800 INR per bag: 32,00,000) : **35991.07 EUR**
Medicare Kits: 200 kits (3500 INR per bag: 700,000) : **7873 EUR**
Street Vendor Kits: 400 kits (2,000 INR per bag:8,00,000) : **9018.46 EUR**

DETAILED BREAKDOWN

RATION BAGS

01

AREA

- Through our churches across four South Indian States: Karnataka, Kerala, Tamil Nadu & Andhra - most of these churches are located in impoverished locations. Such as slums,

02

BAGS

Rice, Dahl, Samolina, Salt, Sugar, Masala, Oil, packaging, Soap, Mask

03

PARTNERS

Peniel Churches, Local counsellors, humedica India, area leaders.

HEALTHCARE WORKERS MED KITS

01

AREA

- Clinics in greater K.G.F area
